- The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections. All scaled scores are rounded off to two decimal places in the scorecard.
- Percentile refers to the percentage of candidates who receive a scaled score less than or equal to the scaled score obtained by the candidate.

If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification and the associated penalties will take place with retrospective effect.
- All queries regarding post-CAT 2024 selection process must be directed to the respective IIMs. CAT Centre will not answer post-CAT queries.
